Re: WT Docket No. 02-55; ET Docket No. 95-18; ET Docket No. 00-258; IB
Docket No. 01-185

Dear Ms. Dortch:

Yesterday, David Donovan of the Association for Maximum Service Television and the undersigned spoke with Sheryl Wilkerson concerning the MSTV-NAB-Nextel BAS Relocation Plan submitted in the above-referenced dockets, and the undersigned spoke with Jennifer Manner, Sam Feder, David Furth and Jim Schlichting on the same question.

We discussed the aspects of the MSTV-NAB-Nextel Plan that we believe should be reflected in any order adopted in these proceedings and the relationship between the relocation plan now under discussion and earlier relocation plans designed to clear spectrum for the Mobile Satellite Service.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,
